Kozhikode, Nov. 23

As many as 4,000 students from IIMs and other top 130 business schools in the country participated in the three-day annual business management meet organised by the Indian Institute of Management Kozhikode (IIM-K).

The theme was 'Discover the Difference' and focussed on the slogan 'Revive, Redeem and Reaffirm', the unique facets of India Inc.

At the session on 'Revive', Mr Chander Mohan Sethi, Chairman and Managing Director, Reckitt Benckiser, said that the decade might have belonged to China, but the century would belong to India.

FMCG INDUSTRY

The FMCG industry threw a lot of challenges with the stakeholders having to dedicate their energy to cope with the dynamic changes taking place in current times.

CLOUD COMPUTING

At the 'Redeem' session, Mr Haragopal Mangipudi, Global Head, Infosys Finacle, said there was a vast pool of 2.3 million 'ready to leverage' software engineers serving multiple global companies present in India.

Cloud computing was one area that was currently providing and would continue to provide opportunities in the coming years, he noted.

Mr Pritam Roy, Founder and Chief Executive Officer of Gomolo.in, talked on the 'Opportunities, resources and challenges' of India in 'Redeeming' itself.

There was a lack of focus on agriculture and lack of quality in healthcare and education sectors, he added.
