II.Special Instructions to Bidders for the E-submission of the Bids online through E-procurement portal

1. The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under My Documents option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
2. After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document; otherwise, the bid will be rejected.
3. The Schedule of Quantities template must not be modified / replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
4. If there are any clarifications, this may be obtained online through the eProcurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online on the portal or on <https://mhrd.ewizard.in> in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF formats.
5. The bidder should read the terms and conditions and accepts the same before proceeding further to submit the bids.
6. The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
7. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and the size of file gets reduced. This will help in quick uploading even at very low bandwidth speeds.
8. It is important to note that, the bidder has to click on the Freeze Bid Button, to ensure that, he/she completes the Bid Submission Process. Bids, which are not frozen, are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.
9. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
10. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
11. At the time of freezing the bid, the e-Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid No., date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
12. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
13. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
14. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.

15. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
16. The bidders are requested to submit the bids through online e-Procurement system to the Tender Inviting Authority (TIA) well before the bid submission end date and time (as per Server System Clock).
17. The bidder / tenderer / Contractor shall file the applicable returns with Tax departments in time and submit the same as documentary proof.
18. The GST applicable shall be shown as separate line items in the Tax invoices to avail input credit to IIMK.

A certified copy of the registered partnership deed shall also be submitted along with the tender. The tenders shall be duly signed by the authorized signatory.

10. Acceptance Period

The tender shall remain firm for acceptance for a period of 90 days from the date of opening of e-tender. If required, the Institute will be at liberty to extend the validity period of this tender for additional period of 30 days. Any withdrawal during firm period will entail forfeiture of EMD.

11. Site Inspection

Every tenderer is expected to inspect the site of the proposed work at his own cost before quoting his rates. He must also go through all the documents. No extra amount or payment would be released by IIMK for claim by Vendor for any extra work carried out unless it is authenticated by the representative of IIMK. Competent Vendors may only apply for the

execution of the work in IIMK terrain, keeping all possible contingencies in mind of working in IIMK terrain. It will be construed that the contractor has inspected the site and satisfied himself and the quoted rates shall hold good in all conditions. The bidder shall inspect the surroundings of the buildings and assess the requirement of Scaffoldings/ladders for doing installation works and the quoted amount shall include this also. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed.

12. Schedule of Quantities

A schedule of approximate quantities for various items accompanies this tender. It shall be definitely understood that the Institute do not accept any responsibility for the correctness or completeness of the schedule, in respect of items and quantities and this schedule is liable to alterations by omissions, deductions or additions at the discretion of the Institute

without affecting the terms of the contract and the Contractor's quoted rate is valid for all such variations. The Institute reserves the right to completely delete any item from the scope of the work without affecting the terms of the contract.

13. Contractor's Rates

The Contractors' quoted rates shall be all inclusive of cost / hire charges of all tools & implements, transportation, loading, unloading, labour, ESI, PF, Income tax, GST and all other taxes, duties and other incidentals. The Tenderer must have valid GST registration. The bidder is not eligible for any other payment over and above the quoted amount in any case. **No extra payment for the extra work claimed by the Contractor/Vendor would be admitted.**

14. Matters not covered by the specifications given in the contract as a whole, shall be covered by the relevant Indian Standard Codes. If such codes for a particular subject have not been framed, the decision of the Institute shall be final and binding on contractor.

15. Alterations in Tender Documents

No alterations shall be made by the tenderer in the Tender documents. Instructions to the Contractors, Contract Form, Conditions of the Contract, and Specifications, and if any such alterations are made or any special condition attached, the tender is liable to be rejected.

16. Acceptance of Tender

The acceptance of the tender will rest with the Institute, which does not bind itself to accept the lowest tender and reserves to itself the authority to reject any or all of the tenders received, without assigning any reason(s)

The Institute reserves the right of accepting the whole or any part of the tenders received and the tenderers shall be bound to perform the same at their quoted rates.

17. Site Supervision

The work shall be carried out under the direction and supervision of the Institute or their representative at site. On accepting the e-tender, the contractor shall intimate the name of his accredited representative who would be supervising the works and would be responsible for taking instructions for carrying out the work on a day-to-day basis. The Institute or their representative at site shall have access to the workshops of the successful tenderers so as to ensure themselves of the quality of material and workmanship.

18. Quality

All works covered by this document shall be subjected to quality surveillance by the Institute or its authorized representative. The Institute's decision with regard to the quality of the material and workmanship will be final and binding. Any material rejected by the Institute shall be immediately removed by the contractor from the site at his own cost and replaced with components which are satisfactory, without any additional cost.

19. Commencement of work/ Period of Completion

The Contractor shall commence work on site within 7 days from the date of issue of the Work Order. Time is the essence of the Contract. All works as per this tender will be completed within 45 days from the date of commencement. Completion period includes Monsoon period as well as festival period. The completion period of six weeks indicated in the tender documents is for the entire work of planning, designing, supplying, installation, testing, commission and handing over of the entire job to the satisfaction of the Engineer-in-charge.

The Tenderers must schedule their works at faculty block III in such a way that no academic activities of the Institute are disturbed owing to the construction activities of the contractor. Accordingly, the contractors shall arrange to carry out the works at their respective work sites during the night hours and restricted time slots as instructed by the Engineer-in-

charge of the Institute. The rate quoted by the tenderers shall hold good for all these contingencies. No extra claims shall be entertained on account of the said restrictions.

20. Scope and Performance

a) Where the context so requires, words imparting the singular only also include the plural and vice versa. Any reference to masculine gender shall whenever required include feminine gender and vice versa.

b) The work to be carried out under the Contract shall, except as otherwise provided in these conditions, include all labour, materials, tools, plants, equipment and transport which may be required in preparation of and for and in the full and entire execution and completion of the works. The descriptions given in the Schedule of Quantities shall, unless otherwise stated, be held to include wastage on materials, carriage and cartage, carrying and return of empties, hoisting, setting, fitting and fixing in position and all other labours necessary in and for the full and entire execution and completion of the installation work as aforesaid in accordance with good practice and recognized principles.

c) Sufficiency of Tender

The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall, except as otherwise provided, cover all his obligations under the Contract and all matters and things necessary for the proper completion and maintenance of the works

d) Discrepancies and Adjustment of Errors

I. If there are varying or conflicting provisions made in any one document forming part of the contract, the Director, IIMK, shall be the deciding authority with regard to the intention of the document and his decision shall be final and binding on the contractor.

II. Any error in description, quantity or rate in Schedule of works or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the works comprised therein according to specifications or from any of his obligations under the contract.

21. Income Tax

Every tender shall be accompanied with the latest Income Tax Clearance Certificate, copy of income tax PAN card without which his tender is liable to be rejected. The Institute will deduct amount towards Tax at Source (TDS) as per the latest Income Tax Rules from all payments made to the Contractor.

22. GST

In the case of contract involving materials required for the works, the contractor shall have a valid GST registration number before entering in to the contract and it is mandatory for the contractor to mention registration number in the Bills/Claims. All payments made to the contractor will attract TDS Liability.

23. Defects Liability Period

Any defects which develop within "Defect Liability Period" of 12 months from the actual date of completion and handing over will have to be rectified by the contractor at his own cost. In case of failure to do so, the Institute with the concurrence shall get the rectification work done by some other agency at the risk and cost of the contractor. The rectification of such defects shall be done immediately on receipt of written notice from the Institute/ Site

engineer and such defects may extend "the liability period" for a period of 12 months from the date of rectification.

24. Part Occupation

If Institute wants to occupy areas in part, the contractor shall have to complete the work of the areas in conjunction with the Institute and hand over the same to the Institute without affecting any of the Clauses of the contract agreement.

25. Contract Signing

After acceptance of the tender, the tenderer shall sign the necessary contract agreement in non-judicial stamp paper worth Rs.200/- within 7 days of intimation, in the prescribed form. Expenses for the agreement including cost of stamp papers etc. shall be borne by the Contractor. In case of delay the EMD amount shall be forfeited and the tender cancelled or the contract enforced as per terms of the tender and the tenderer shall thus be bound even though the formal agreement has not been executed and signed by the tenderer.

26. EMD, Performance Guarantee (Security Deposit) and Retention Money

The Institute does not bind itself to supply any materials whatsoever required for the work. The quality/ make of material to be purchased by the contractor shall have the approval of the Institute/ Site engineer/ Engineer-in-charge before incorporation within the works. For the purpose of payment, actually recorded quantities shall be taken into consideration. Rejected material shall be removed at once from the site of work at contractor's cost.

29. Payments

Normal payment terms acceptable to the Institute shall be within 30 days, on satisfactory completion of the work and submission of proper bills.

30. Compensation for delay

If the contractor fails to maintain the required progress in terms of Clause No.19 or to complete the work and clear the site on or before the contract period in terms of Clause No. 19, he shall, without prejudice to any other right or remedy available under the law, pay the Institute on account of such breach, the agreed compensation amount calculated at the rates stipulated below and the Institute's decision in writing shall be final and binding in this respect.

This will also apply to items or group of items for which a separate period of completion has been specified.

Compensation for delay of work: @1% per week of delay to be computed on per day basis provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value or of the Tendered Value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Institute. In case, the contractor does not achieve a particular milestone mentioned in Clause, or the re-scheduled milestone(s), the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of Extension of Time. With-holding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed

subsequently also shall be withheld. However, no interest, whatsoever, shall be payable on such withheld amount.

31. Deviations / Variations Extent and Pricing

The Institute shall have power (i) to make alteration in, omissions from, additions to, or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work, and (ii) to omit a part of the works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the works in accordance with any instructions given to him in writing signed by the Institute Engineer and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided

therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided.

32. The Contractor shall not be entitled to get any sort of advances for the work

33. E.S.I. & Provident Fund Obligations

The Contractor shall include in his rates all expenses towards meeting obligations under the Employees State Insurance Act and the Provident Fund Act. The contractor shall obtain necessary registration for his employees and shall follow all rules and regulations required under the Act as may be in force from time to time. All employees engaged upon shall be covered under these schemes and the required amount shall be deposited by him directly with the concerned authorities. All records in connection with the above shall be properly maintained by the Contractor and produced for scrutiny by the Institute whenever called for.

34. Supplier / Labour Payment

The Contractor shall pay to its Suppliers/ Labourers within reasonable time fixed with them. The Institute shall not be responsible during the period of Contract or after completion of Project for Contractors liabilities towards Suppliers/ Labourers. In case, if Contractor fail to pay to the Suppliers/ Labourers, the Institute reserve the right to pay the same said amount to the Suppliers/ Labourers after due verification and recover the same from the amount due/payable to the Contractor.

35. Postal Address for communication

Every Tenderer shall state in the tender his postal address fully and clearly. Any communication sent to the Tenderer by post at his said address shall be deemed to have reached the Tenderer in time.

36. Risk purchase:

In case of failure to deliver the goods/works within the delivery date stipulated in the Work Order, unless prior extension of time period is obtained, IIMK will be at liberty to obtain such items as necessary from other source and / or cancel the order. In either case IIMK reserves the right to recover from the contractor the additional amount spent plus 10% to cover incidental expenses.

37. Short Closure:

IIMK has the right to short close the e-tender even after evaluating the e-tenders without assigning any reason.

38. Legible submission:

Only required relevant, legible documents shall be submitted to avoid delay due to back reference.

39. Labour Rules etc:-

The quotationer shall follow strictly the Government Labour Acts, which are in force or implemented from time to time, and all necessary arrangements for labour shall be made. He shall follow strictly all the Safety Rules/Procedures/Codes of the Department in practice and also follow the security rules of the Institute regarding issue of Identity Cards/Tokens, etc. as may be framed from time to time by the Institute.

40. Water & Electricity connections: - The contractor shall make his own arrangement for obtaining electricity & water connection required for execution of work and make

necessary payments directly to the concerned agencies/ departments and nothing extra shall be payable on this account.

41. The rate for all items of work, unless clearly specified otherwise, shall include the cost of all labour, materials and other inputs etc. involved in the execution of the items and thus nothing extra on any account will be paid to the agency other than his quoted rates.

42. Insolvency / Penalties /Liabilities on breach of Contract

The Contractor shall be responsible for faithful compliance of the terms and conditions of this agreement. In the event of any breach of agreement, the contract may be terminated and the security deposit will be forfeited and further the work may be got done from another agency at his risk and cost.

The Institute may, at any time, by notice in writing summarily terminate the contract without compensation to the Contractor in any of the following events:

- i. If the Contractor being an individual or a firm if any partner in the Contractor's firm shall be adjudged insolvent or shall have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition under any insolvency act for the time being in force or make any conveyance or assignment of his effects or enter into an arrangement or composition with his creditors or suspend payment, or if the firm be dissolved under the Partnership Act, or
